All meeting papers must be approved by the relevant Executive Leadership Team member prior to submitting to the Secretariat for finalising. The finalised meeting papers will be submitted to the Chief Executive for sign-off and, once given, distributed to Committee Members.

Disclosure of interests

Committee Members must act ethically and observe the highest standards of behaviour and accountability to support the continuation of public trust in the government.

Welcome Aboard: A guide for members of Queensland Government Boards, committees and statutory authorities outlines the obligations of members of government boards and those involved in the good corporate governance of government boards (<https://www.premiers.qld.gov.au/publications/categories/policies-and-codes/handbooks/welcome-aboard.aspx>). It states that:

'Members of Government Boards should avoid actual or potential conflicts between their duties to the Government Board and their personal interests or their duties to others. Members of Government Boards should also be aware of possible perceived conflicts of interest.'

Schedule 1, section 9 of the HHBA outlines the way in which the Finance Committee is to deal with disclosures of interests at meetings, in particular:

- A Committee Member must disclose if they have a direct or indirect interest in an issue being considered, or about to be considered, by the Finance Committee; and the interest could conflict with the proper performance of the Committee Member's duties about the consideration of the issue.
- This disclosure must be made as soon as practicable by the Committee Member.
- The Finance Committee will decide if the Committee Member must not be present when the Finance Committee considers the issue, or take part in a decision of the Finance Committee about the issue.
- A disclosure of interest must be recorded in the meeting minutes.

A Committee Member must not have access to information of the Finance Committee in relation to a matter in which they have a conflict of interest, unless otherwise authorised by the Committee Chair (or Board Chair in circumstances where it is the Committee Chair that has the conflict of interest).

From time to time a Committee Member may also be an employee or other service provider of Mackay HHS ("Employee Member"). This may give rise to potential conflicts of interest which need to be managed carefully. If, prior to a meeting, information is to be provided to Committee Members that may have a direct impact on the status or obligations of an Employee Member, the Chief Executive must discuss with the Committee Chair (or Board Chair in circumstances where it is the Committee Chair that is an Employee Member) what information is to be withheld from the Employee Member until the Committee Chair/Board Chair expressly decides that the information is to be provided to the Employee Member. If, during a meeting, a potential conflict of interest of the Employee Member is raised, the Finance Committee will proceed in accordance with HHBA, Schedule 1, section 9.

Confidentiality

Committee Members must keep all Finance Committee discussions and deliberations confidential. Similarly, all confidential information received by a Committee Member because they are or have been a Committee Member must be kept confidential and the Committee Member must not improperly use that information to gain an advantage for themselves or someone else or to cause detriment to Mackay HHS.

Secretariat

Secretariat support will be provided by the Board Secretary or another delegate.

The Secretariat will be responsible for the preparation and circulation of the meeting agenda as well as recording the minutes and passing resolutions at all Finance Committee meetings, in consultation with the Finance Committee Chair. The Secretariat must record any votes against a passing resolution in the minutes of the meeting.

The Secretariat will also be responsible for the timely tabling of all correspondence, reports and other information relevant to the Finance Committee's activities.

In the event that this Terms of Reference is inconsistent with the Mackay Hospital and Health Board Charter, the Mackay Hospital and Health Board Charter will prevail.

In the event that this Terms of Reference is inconsistent with the HHBA and/or the HHBR, the HHBA and/or the HHBR prevail.
