

Mackay Child, Youth and Family Health Service

PARENT FOCUS GROUPS

Learn more about your baby or toddler's development including feeding, sleeping and behaviour

The new Parent Focus Groups are facilitated by a Child Health Nurse providing information on topical child health and parenting issues.

Parents are encouraged to attend any or all 2 hour group sessions that are suitable for your family.

Places are limited, book your spot with the Mackay Child, Youth and Family Service on 4885 7750.

If you would like to suggest other areas of focus, please contact the Service or complete a survey via the QR code.
