## Latest progress on recommendations

At the most recent meeting held on 18 September 2023, the Implementation Working Group discussed a number of topics including:

- Update on the Mackay Hospital Expansion Project
- Consumer engagement
- Emergency caesarean simulation training and auditing
- Role descriptions
- Reviewing team collaboration and culture

At our meeting, the group has determined that:

- 114 recommendations are already completed
- 4 recommendations are already underway but require further work or additional evidence
- 4 recommendations are related to the Mackay Hospital Expansion Project, which is projected to reach practical completion in 2027, so will not be completed by October 2023.

## Next steps

Our final Implementation Working Group meeting is scheduled for 23 October 2023, where the group will assess progress on the remaining recommendations.
