

Child, Youth and Family Health Service

Services and support for infants, children and families

Mackay Child Youth and Family Health Service supports families with children aged 0 to 18 years.

Our services include

- Lactation clinics - antenatal and postnatal
- Sleep 'day stay' service
- Immunisations
- Parenting groups
- Growth and developmental checks
- Home visiting
- Family wellbeing and support
- Indigenous health support
- Hearing clinic for 4 – 18 years
- Behavioural support and one-on-one Triple P consults
- Primary school vision screening
- School based health nurses
- Telehealth/phone consults

Other Child Services offered from Carlyle Community Health Centre include a Paediatrician, Allied Health and Midwifery.
